CEDAC
Creative educators of digital arts & culture

Issue No: 1

THE CEDAC NEWSLETTER

Target Groups:

Seniors living in rural areas and small towns

Trainers and educators working in cultural institutions

The CEDAC project aims to offer to educators from cultural institutions an innovative training programme which will motivate seniors:

- to enter the digital world safely,
- to improve their creativity skills
- to discover the culture and art resources and events online

@CEDACproject

The CEDAC project **results** will be:

- a new **innovative training programme** for cultural educators
- an **e-learning course** for cultural educators
- a **webportal** which includes a range of tools, resources and sample exercises that can be used in online cultural activities

Project partners' meetings:

- **25-26/05/2021**, online kick-off meeting: Partners discussed first steps that will be taken in the CEDAC project.
- **8-9/11/2021**, TPM2 in Greece: Partners discussed topics of training materials and the content of the e-learning platform.

"Youth is the gift of nature, but age is a work of art." – Stanislaw Jerzy Lec

For the seniors' research results, we have collected **more than 288 seniors' surveys** from 5 countries. **60% of responders** believe that online tools can develop their creativity. Seniors are mostly interested in **brain training, creativity in daily life, computing and soft skills**. For adult educator's research results we have gathered **98 surveys** from 5 countries. Educators want to learn **soft skills**, how to engage seniors to be more active in different fields of their interests and **digital competences skills**.

Co-funded by the Erasmus+ Programme of the European Union
