CEDAC
Creative educators of digital arts & culture

Issue No: 2

THE CEDAC NEWSLETTER

Target Groups:

Seniors living in rural areas and small towns

Trainers and educators working in cultural institutions

The CEDAC project aims to offer to educators from cultural institutions an innovative training programme which will motivate seniors:

- to enter the digital world safely,
- to improve their creativity skills,
- to discover the culture and art resources and events online.

@CEDACproject

CEDAC partners agreed, after extensive research, on **the most needed and innovative training materials, tools and resources** - as the Seniortube - for educators and seniors **to explore creativity and art resources online.**
Currently, the partnership develops a series of workshops on the most interesting topics for seniors as were highlighted in over 200 seniors surveys.

The workshops will cover topics such as:

- Creative cooking
- Museums/galleries
- Online Entertainment
- Photography
- Creativity in daily life
- Digital Communications and Social Media
- Storytelling/Blogging

What is more, we are also in the process of collecting digital tools and resources freely available to everyone that enhance creativity and provide access to the artistic world!

"Anyone who keeps the ability to see beauty never grows old."

- Franz Kafka

Do you want to join us on this journey and develop digital and creative skills?

Check out our new website:
www.cedacproject.eu

You will find: news, articles, useful tools and ongoing activities for digital creativity!

Co-funded by the Erasmus+ Programme of the European Union
